

PRO66MALIN

60cm Freestanding Multifunction Electric Oven with Induction Cooktop

made in italy

Proudly made in Italy since 1950, De’Longhi freestanding cookers embody the same core values: expertise, professionalism, and a deep commitment to design and technology.

Bridge Zone

Activating the bridge zone links two adjacent induction zones, to work together as a single, larger zone. This is perfect for;

- Large Roasting Pans
- Griddle Pans
- Oversized cookware

Easy Steam

The gentle combination of heat and moisture not only preserves the natural nutrients in your food, but traditional baking is taken to a new level with golden crusts and irresistibly airy centers.

Telescopic Runners

Designed for convenience and safety Telescopic shelves let you effortlessly slide out oven racks to check your dishes - no tipping, no hassle.
